The Blacksburg/Christiansburg/Montgomery Area Metropolitan Planning Organization (MPO) and Virginia Tech are performing a study to identify and analyze potential roadway and interchange improvements in the general vicinity of Southgate Drive and the Virginia Tech Corporate Research Center. As part of this study, a range of potential improvement concepts are being developed and tested in terms of their ability to serve existing and future travel demands in a safe and efficient manner. The study team is seeking input from the public on these improvement concepts at a public meeting to be held on April 29, 2010.

Summary information from the study will be available for review and comment at the public meeting. Feedback on the study and recommendations may be provided as follows:

Oral comments will be taken by project staff at the meeting

Written comments may be completed and submitted at the meeting

Written comments may be submitted by no later than May 14, 2010 to the
Blacksburg/Christiansburg/ Montgomery Area Metropolitan Planning Organization
at 755 Roanoke Street, Suite 21, Christiansburg VA, 24073

Your input is very important for this study – and we look forward to seeing you on April 29th.
